:Long segment race

?How many segments does the route contain

3-

.Input must be a positive integer, got -3

?How many segments does the route contain

0

.Input must be a positive integer, got 0

?How many segments does the route contain

3

?What is the length of segment 1

1200.5

?What is the length of segment 2

1000-

.Input must be a positive double, got -1000.0

3500

?What is the length of segment 3

2100

?How many teams are there in the race

5-

.Input must be a positive integer, got -5

?How many teams are there in the race

4

:Team 1

?What is the driver's name

Kate

?What is the driver's breaking rate

4

?What is the driver's delay time

2.2

?What is the driver's age

20

?What is the car's manufacturer

Porsche

?What is the car's acceleration

5

?What is the car's maximum speed

60

:Team 2

?What is the driver's name

Suzan

?What is the driver's breaking rate

5

?What is the driver's delay time

1.1

?What is the driver's age

25

?What is the car's manufacturer

Lamborghini

?What is the car's acceleration

4.5

?What is the car's maximum speed

62

:Team 3

?What is the driver's name

John

?What is the driver's breaking rate

6

?What is the driver's delay time

2.5

?What is the driver's age

30

?What is the car's manufacturer

Bugatti

?What is the car's acceleration

5.3

?What is the car's maximum speed

58

:Team 4

?What is the driver's name

Paul

?What is the driver's breaking rate

3

?What is the driver's delay time

6.4

?What is the driver's age

35

?What is the car's manufacturer

Ferrari

?What is the car's acceleration

4.8

?What is the car's maximum speed

61

:Race results, sorted from fastest to slowest

Driver: Suzan, Car: Lamborghini, Route time: 151.15215053763438 seconds

Driver: John, Car: Bugatti, Route time: 153.16509433962264 seconds

Driver: Kate, Car: Porsche, Route time: 158.24166666666667 seconds
